INTRODUCTION

*They came
And for a while
they shared
A time. A place. A journey.*

PRINCIPAL'S ADDRESS

Avondale exists to provide direction for the life journeys of its students.

It is a varied responsibility because no two students

travel exactly the same path. Some travel as teachers; others as nurses, ministers and accountants; while others embark upon journeys that ultimately take them beyond the career options that Avondale offers.

It can be a surprising responsibility because there are

occasions when the detours taken by students turn out to be the most significant learning experiences they have. It is one of Avondale's duties to provide experienced travellers who can direct them back towards the main journey and keep ultimate goals before them.

It is an important responsibility because whatever journeys our lives follow, our ultimate destination is what Paul calls "the mark of the high calling of God" and unless our journey reaches that destination then we have travelled in vain.

Geoffrey Mudgey

D E D I C A T I O N

*In this life, there are some who stand
by the shore and remind you
that you can't swim
And then there's the one who stands
by the shore
who encourages and cheers..*

AC

C H A P T E R O N E

*You have a goal. That's why you're here.
Focus on it. Strive for it.
Climb with your mind and
you will reach it.*

Mountain Peak

*Success is a journey
not a destination.*

*Some people dream of worthy
accomplishments...
Others stay awake and do them*

All human wisdom is summed up in two words ... wait and hope! (Alexandre Dumas the Elder)

*Teamwork — Is the fuel that
allows common people to
attain uncommon results.*

AC

C H A P T E R T W O

*A rest. A pause.
A moment but to quench.
To refresh. To live.
That you can go on.*

Watering Fount

When I look at the sky, which you have made, at the moon and stars which you set in their places ... what is man, that you think of him, mere man, that you care for him.

PSALMS 8:3-4

CHAPTER THREE

*The elements are against you.
Will you succumb?
Fight the current. Persevere.
Measure your strength
against the river's.*

Running River

"A man's reach should exceed his grasp..."

"or what's a heaven for?" — Robert Browning—

Far away there in the sunshine are my highest aspirations
I may not reach them but I can look up and see their beauty
believe in them and try to follow where they lead

*You cannot discover new oceans...
unless you have courage
to lose sight of the shore.*

AC

C H A P T E R F O U R

*There is a garden. Painted in bright
colours. The stroke of the brush,
A friendship is made
The splash of paint.
Laughter is heard.*

Garden

T A L E N T
N I G H T

Moments come and go
sunshine and golden laughter,
pale grey days and rain,
mostly I do not recognise them
for what they are - my life

Can we conceive, what humanity would be if it did not know the flowers
(Maurice Maeterlinck)

It is by believing in roses that one brings them to bloom ...

(French proverb)

AC

C H A P T E R F I V E

*The road seemed to stretch on for miles
But now you are here.
The gate is in front of you —
Push it.
The world is yours*

Open Gate

No one can predict to what heights you can soar ... even you will not know until you spread your wings

Here is where the road divides
Here is where we realize
The sculpting of the Father's great design
That time you've been a friend to me
But time is now the enemy
I wish we didn't have to say goodbye
But I know the road He chose for me
Is not the road He chose for you
So as we chase the dreams we're after
Pray for me and I'll pray for you
Pray that we will keep
the common ground.

—Michael W. Smith—

'Yours for Life'

 **SANITARIUM**

A better life through better nutrition.

The Sanitarium Health Food Company has operated in Australia and New Zealand for over 90 years. From those tough pioneering days, and gradually through the intervening years, Sanitarium has become a household word in both countries. This reputation revolves around two important aspects: healthy food and honest trading.

Right from the very beginning, a nutritional philosophy, based on long-standing Adventist principles, has been behind all decision-making.

Choosing a finance body isn't a kids game. A mistake could mean losing more than your marbles....

But the decision needn't send you bonkers, not if you weigh the advantages carefully. For 30 years Hunter United has built its reputation on value and service, consistently maintaining our position as the region's largest locally owned Credit Union. During this Hunter United has historically provided its members with the lowest personal loan interest rates and the most competitive rates for investors. Free cheques, bill paying services, payroll deductions and a range of advisory services set Hunter United apart. And then there's the convenience of a network of workplace and shopping centre branches throughout the lower Hunter.

Whether paving Avondale's future or preserving the past - the Avondale College Foundation is there to offer it's support. The Foundation continues to grow due to the generous assistance of its 1800 members and the profits from our four business. Over the past 15 years the Foundation has completed a lengthy list of projects. In 1992 it was invited to fund the complete restoration of Bethel Hall - the College's first building which was originally constructed in 1896.
